

Dear Chamber of Commerce Member,

The 8th Annual Carlsbad Winter Wine Festival will be here before you know it! I hope you all attended last year and had a great time... we look forward to an even bigger and better event this year!

The Carlsbad Winter Wine Festival is a two day event on the first weekend of December, built around holiday shopping and entertaining. We will have approximately 9 wineries from around the state bringing their wines for guests to sample with their admission ticket. We will also have arts and crafts and nice commercial product vendors.

The event starts Friday night with a VIP evening of food, wine and shopping. This is your quiet evening to get your shopping done before the crowds on Saturday, try some great wines from around the state, share complimentary hors-d'oeuvres and visit with your friends in the Chamber of Commerce. This event is only open to sponsors or those who purchase a premium ticket.

We'd like to make your business one of those sponsors featured at the Friday night event. We need the support of the local businesses to make this event a success! And for you.... another great marketing opportunity. We recognize that Christmas on the Pecos hits more of the tourists and this event will be geared toward the local guests.

Enclosed are the sponsorship levels. Please review and feel free to talk to Robert Defer, with the Chamber of Commerce, about this event. This event benefits the Chamber of Commerce and we need your help to make it a success.

Thank you so much and we look forward to celebrating the holidays with you!

Regards,

Staci Mays
