SW FOUNDATION
OSTEOPATHIC EDUCATION & RESEARCH

The Friends of Military Veterans Annual Scholarship Fund was created to support veterans and dependents of veterans seeking to pursue a medical education at the Burrell College of Osteopathic Medicine.

These scholarships seek to honor and remember the brave men and women who have fought for our country and defended our freedom and liberties. They are designed to provide hope and opportunity to students that wish to carry on their families' legacy of service. Finally, these scholarships seek to create a possibility of a bright future never before envisioned by those that otherwise, for financial reasons, could not attend medical school.

This year's fundraiser event will be held on October 13, 2018 from 6:00-9:00 pm at Sisbarro Park across from Burrell College of Osteopathic Medicine.

As a sponsor, you will be able to showcase your brand to not only attendees, but also scholarship recipients and future donors. Your audience will range from local veterans, to medical school students, young professionals, local philanthropists, community leaders, and elected officials.

Please help us honor those that are protecting us from one battlefield to another!

Respectfully,
