## The DogCruces Pet Expo

*The DogCruces Pet Expo is an event that gives pet lovers the opportunity to discover what type of services and products are available in the area when it comes to your pet. Whether the attendees are thinking about adopting a new pet, obedience classes, veterinary care or even family pet photos, we bring all of the information and contacts they need together in one place! This is also a great opportunity for local businesses to network with people in need of their services and promote themselves as professionals. The event will be September 15-16, 2018 at the Las Cruces Convention Center from 10am-5pm both days. The expected attendance for The Las Cruces Pet Expo is over 2,200. Being a sponsor is a great way to highlight your business at the event and in the community!*
